The Towson Chamber - A True Leader in this Community!

New Member Bio:

“Brotman Financial Group, Inc. is a locally-owned independent financial planning and wealth management firm. Our Certified Financial Planner™ practitioners and professional staff provide concierge-level services to families all across the U.S. and beyond, coordinating every detail of their financial world. Our typical clients are the “sandwich generation” – couples and individuals aged 40-60 with aging parents, children to educate, and very busy lives. Many are owners of closely-held or family businesses. Our planning process is much like a thorough physical exam – we examine every aspect of a family’s planning, and then call on specialists in key areas to work as a team in creating a coherent plan, as unique as our clients themselves. Once we complete our initial planning process, our clients’ financial lives are often less hectic and better organized, and their financial, estate, and retirement plans are able to come into focus and be strategically outsourced to our team.”

Goucher News:

Members of the Towson community are invited to Goucher College to attend free, public events that will be held throughout September, including “What Does an Activist Justice Look Like? Roberts v. Stevens,” a lecture by U.S. Senator Benjamin L. Cardin held as part of Goucher’s celebration of national Constitution Day. The event will be held at 11 a.m. in Buchner Hall of the Alumnae/i House. Also, Goucher College's Kratz Center for Creative Writing is presenting Ann Patchett—the award-winning author of the novel *Bel Canto*—on Wednesday, September 29, at 8 p.m. in Kraushaar Auditorium. Patchett will read from her works, answer questions, and sign copies of her books.

To reserve tickets or get information about other events, please contact Goucher’s Box Office at 410-337-6333 or boxoffice@goucher.edu.
