AWARDED FRANCHISE OF THE YEAR IN 2016

The 10% Rule

Keep your business local and make 10% of your expenditures stay within Towson. Just think of the impact... If a company grosses \$300,000.00 per year and they see an additional 10% or \$30,000.00, that could mean hiring someone, expanding product lines, or making their interior and exterior look better. Keep business in Towson and create a positive environment for our community!
