Since our inception, we have grown to more than 300 member organizations that work together with the common goal of improving and enhancing Towson. The Towson Chamber consistently fosters a higher quality of life for all who work, visit, and live in the area. Through the good works of our membership, Board of Directors, volunteers, and staff, our organization has made an indelible mark on the community.

The Towson Chamber of Commerce continues to strive for excellence. We plan to retain the wonderful, long-established community programs that area residents now consider traditions, including the Towsontown Spring Festival, Towson Gardens Day, the Towson 4th of July Parade, the Towson Farmers Market on Thursdays, Friday night Feet on the Street block parties, the Annual Golf Tournament, Towson community clean-up days, the Baltimore County Christmas Tree Lighting, Winterfest, Toast of the Town, and Rocktoberfest.

Among the important services that the Towson Chamber of Commerce provides to our members are free monthly networking breakfasts, educational seminars, opportunities to meet and greet local officials, and New Member 101 meetings.

We are committed to promoting our “shop local” campaign, our 10% rule (spend a minimum of 10% of your shopping dollars in our community), and our member-to-member benefit programs. Our members practice what they preach and use the services and products of our fellow members.

Each year, 3,000 of these directories are produced and distributed in and around the Towson area. The directory is also included on our website, [www.towsonchamber.com](http://www.towsonchamber.com). Hundreds of members, visitors to the area, and residents of our community use the

directory as a resource for finding local quality businesses, and we are proud to include our members and highlight their products and services.

Our chamber represents the best and finest companies Towson has to offer. We thank you for supporting businesses in our community. In doing so, you help to make Towson a better place in which to live, work, and play.

## PRESIDENT'S MESSAGE

It's Towson's Time! This phrase is often heard around Towson. From new business and commercial development, to the amazing residential community with which we interact, Towson is one of the best places in Maryland to live, work and visit. Businesses, universities, people, places, and events make Towson what it is today, a thriving, growing community.

The Towson Chamber has a proven track record of helping businesses grow. By building strong partnerships with our members, we provide support, open doors and create new business opportunities. All of this could not be done without the dedication of the Chamber's Executive Director, Staff and Board of Directors. They are passionate about the success of our community while working countless hours and displaying excitement and enthusiasm about the future of Towson.

During my time living and working in Towson, I have learned about this non-profit organization and the dedication it has

to serving their members. Joining has helped me both personally and professionally. I've been able to build my professional network, connect with members who have become mentors, taken on leadership roles, engaged my family in fun-filled activities and connected with people who truly care.

I encourage you to work with the Towson Chamber of Commerce to deepen your relationship with the community. Plan to attend one of our events- the nationally recognized Towson Town Spring Festival, Farmer's Markets, Feet on the Street, 4th of July parade, Taste of Towson, Winterfest, Toast of the Town and so many more. Visit a new restaurant,

shop locally, walk through our vibrant neighborhoods or join a Committee. Volunteer and make new friends at a Chamber event. Whatever path you choose, we welcome you with open arms.

After all, It's Towson's Time!

We also organize "Fire and Ice Night" with ice sculptures, carolers, and s'more roasting upon open fires, located on the streets of Towson. The Chamber provides the location, music, entertainment, and open bar for patrons.

### TOAST OF THE TOWN

#### Value Notes

Estimates are not comparable to other geographic levels due to methodology differences that may exist between different data sources. Some estimates presented here come from sample data, and thus have sampling errors that may render some apparent differences between geographies statistically indistinguishable. Click the Quick Info icon to the left of each row in TABLE view to learn about sampling error. The vintage year (e.g., V2017) refers to the final year of the series (2010 thru 2017). Different vintage years of estimates are not comparable.

#### Fact Notes

- (a)Includes persons reporting only one race
- (b)Hispanics may be of any race, so also are included in applicable race categories
- (c)Economic Census - Puerto Rico data are not comparable to U.S. Economic Census data

Methodology The Forbes "Best-in-State Wealth Advisors" ranking was developed by SHOOK Research and is based on in-person and telephone due diligence meetings to evaluate each advisor qualitatively, a major component of a ranking algorithm that includes: client retention, industry experience, review of compliance records, firm nominations; and quantitative criteria, including: assets under management and revenue generated for their firms. Investment performance is not a criterion because client objectives and risk tolerances vary, and advisors rarely have audited performance reports. Rankings are based on the opinions of SHOOK Research, LLC and not representative nor indicative of any one client's experience, future performance, or investment outcome. Neither Forbes nor SHOOK Research receives compensation in exchange for placement on the ranking. SHOOK® is a registered trademark of SHOOK Research, LLC. Forbes is a trademark of Forbes Media LLC.
