"INTEGRITY...FAIRNESS...SERVICE"

Greetings Supporter,

In October 2018, I started the Thin Blue Line Lunch Bunch at Dumbarton Middle School to give students an opportunity to talk to me in an open forum to ask law enforcement questions and to learn more about police and what we do. The students self- invite and come during their lunch shift (6th, 7th, and 8th) on the First Friday of each month. At the first meeting they asked questions about my law enforcement experience and began to inquire about different units within the department. Therefore, I thought what better way to answer questions about other units than to have personnel from other units come in.

On December 7, 2018 I had Ofc. Hippensteel from the CRASH team come in and her presentation was a slam dunk. The kids loved it. She brought in slides to illustrate how she investigates Crashes. Intentionally she showed appropriate photos (of vehicles not dead bodies) from impaired driving crashes to drive home the point of preventing drunk and drugged driving. Students were actively listening and asked lots of questions. Even after she left students remarked about how they enjoyed the presentation and would like to hear about other units.

On February 8, 2019, Officers Tilghman and Mims came in to share about the Police Explorer program. This gave students who are considering a career in law enforcement an opportunity to mentally prepare themselves for the expectations and requirements for such a career it also showed how the program can be incorporated with educational requirements such as service learning hours and college application preparation. I have made contact with Towson Precinct's Investigative Services Team, K9 Unit, and Aviation Unit and they have agreed to present in the upcoming months.

Students bring their lunch, but I provide snacks that I purchase myself, just as an added bonus or incentive to being a part of the group. Initially, I started off with just 3 students, then 8, then 11, then 28, and NOW more than 60 students.

I'm asking for help with funding so that the students in the Thin Blue Line lunch bunch could have an end of the school year celebration. I envisioned providing food and drinks for approximately 150 students after school. I hope other police personnel and members of other branches of EMS can attend. I'd like to have the celebration on June 7, 2019 from 3-5pm.

Do you think you can help?
