# Sponsorship Opportunities

## \_\_\_\_\_ Putting Contest Sponsor \$250:

Your company will be the exclusive sponsor of the putting contest, held throughout the day, on the practice putting green. Your business name and logo will be displayed at the putting green, and you will be permitted to have employees network with participants and provide any company giveaways. Your business name and logo will also appear in the event guide.

## \_\_\_\_\_ Corn Hole Tournament Sponsor \$250:

Your business name and logo will be displayed at the Corn Hole Tournament located at the turn. You will also be permitted to have employees network with participants and provide any company giveaways. **If you have one corn hole board you have each golfer toss the bag three times. You set it up randomly at a hole or at a drink station. If their bag goes in the hole they get a point and the team with the most points at the end of the day wins. If you make the sponsorship \$300 and give out 4 \$25 gift cards to the winning team, you've made \$200 easy.**

## \_\_\_\_\_ Driving Range Sponsor \$200:

Your company will be the exclusive sponsor of the driving range, prior to tee off. Your business name and logo will be displayed at the driving range, and you will be permitted to have employees network with participants and provide any company giveaways.

## \_\_\_\_\_ Gift Basket Sponsorships: \$100, \$250, or \$500

Your business name and logo will be displayed as the sponsor of a gift basket at the various levels. **We create the gift baskets then with in-kind donations from companies or by purchasing items- alcohol, tech items, gift cards, etc. This is just another way to get companies to participate if they don't golf.**
