

DEAR TOWSON BUSINESS OWNER,

We hope you will accept our invitation to participate in a storefront window art exhibit displaying works from our amazingly talented Towson High School art students. We believe this will provide much needed opportunities for students to share their artwork with the community during online learning. We also believe you will help to develop connections with the vibrant visual arts programs in Baltimore County. Adding visual interest to otherwise open spaces and bringing interest while safely interacting with Towson's commercial district during the winter months could be great for business.

Teachers from the Towson High Art Department will select the best and most appropriate works to display. Please use this link to enjoy some of the student's works from the Fall semester:
