Executive Director's Message

Along with the rest of the country and the world, 2020 has been a very challenging year for our business owners and our community. However, we have found that when you face it head-on and are able to overcome unprecedented challenges, you can find your strengths. As a community we found our strength – and it is 100% in our people and our ability to pull together when times get tough.

While it seemed like the world was falling apart, we have continued to figure out ways to build for our future. Cranes stayed in the air and our construction workers stayed the course, ultimately building new opportunities to live, work, learn, shop and dine. As a result, over 1,500 people have moved into Towson from May through September.

Streetscape improvements happened on Towsontown Blvd., Chesapeake Ave., and are soon to begin on Pennsylvania Ave. as well. To continue to brighten our streets, artists painted cheerful murals that are as bright and hopeful as our future.

We pulled together monthly Zoom meetings to share loan and grant opportunities, information from our community leaders and developers, and to hear how we could better support each other. As a continued resource to the business community we have been fortunate as an organization to have stayed strong and to even see membership grow.

Never forgetting the essential workers that take care of us in every way, we also started an initiative that raised over \$50,000 that went back into local restaurants with meals delivered directly to feed our first responders and healthcare workers.

Now more than ever we are committed to promoting our “Shop Local” campaign, as well as our member-to-member benefit programs. Our members truly practice what they preach and make a point to use the services and products of our fellow members.

Since our directory is going digital, we will be able to distribute 4 times the amount we did in the past. The directory is also included on our website, www.towsonchamber.com. Hundreds of members, visitors to the area, and

residents of our community use the directory as a source to find local quality businesses. We are proud to include our members and highlight their products and services.

Our Chamber represents the best and finest companies and institutions Maryland has to offer. We thank you for supporting businesses in our community. In doing so, you help to make Towson a better place in which to live, work, and play.

See you around Towson,
Nancy Hafford

President's Message

#TowsonStrong – Despite the pandemic, Towson continues to be a great place to live, work, and visit. The city is the center for Baltimore County government, healthcare, higher education, and retail shopping. We continue to transform this suburban city to a destination with several development and expansion projects, which bring new multi-unit apartment complexes, two Hilton-branded hotels, a Whole Foods grocery store, expansion of Towson University to the Armory, thousands of square feet of retail, and the Towson Circulator.

The Towson Chamber of Commerce is one of the most active voices for the Towson area, with over 300 members. Members include a wide range of businesses – from resident associations and small family-owned businesses to large multi-million-dollar property owners and developers. The Chamber provides opportunities for members to network, collaborate, serve the community, and express their thoughts and concerns with local officials.

Nancy Hafford, the Executive Director for the Towson Chamber, and the Board of Directors work tirelessly to serve its members and are committed to the success and sustainability of area businesses. We invite you to engage with our members by participating in events (in-person and virtual), joining a committee, or patronize a member business.

Our organization (Towson Town Center) has been a proud member of the Towson Chamber of Commerce for several years and I have seen the direct impact it can have on creating connections among members. I am honored to serve as the 2020-2021 President and remember to stay #TowsonStrong!

Sincerely,
Emily Brophy, President

What is The Towson Chamber of Commerce?

The Towson Chamber is a nonprofit organization that has been dedicated to serving its members since 1964. The Chamber takes a leadership role in improving the Towson area's quality of life. The Chamber does this through promotion and support of our businesses, training and skill building, advocating for Towson on a local and state level, encouraging community involvement through events and activities, and contributing over \$100,000 a year to streetscape improvements.

Through the promotion and support of these areas, the Chamber is positioning our community for a bright and prosperous future. We strive to administer programs and projects that benefit our area not only now, but also for years, decades, and generations to come.

The Chamber does not do this alone. Hundreds of members and volunteers put forth countless hours to assist in the program of work for the Chamber, resulting in a community that is the envy of others in Maryland and outside our state's borders. Without the efforts of our members, the Chamber's mission to promote the business environment in Towson could not be achieved.

The Towson Chamber of Commerce has a proven track record of helping businesses grow in this area for over five decades. We have the tools members need and the power to open doors to new opportunities, more customers, and greater success. Our Chamber can put members in touch with hundreds of potential clients and customers. A membership can provide immediate return on your investment with networking and marketing opportunities, small business and professional support, information and governmental representation.

The Towson area communities and our Chamber of Commerce pride themselves on their strong affiliations. Continual enhancement of these partnerships is made to develop a progressive and outstanding community in which to work and reside.

One of our key functions is to serve as a unified voice for Towson businesses, both at public hearings and as a representative to the other Towson groups which all share a common goal to assure planned growth in Towson. We strive to strengthen existing businesses as well as to help new ventures succeed. One way our Chamber promotes local companies is through the publication and distribution of an annual business directory. We also promote on our Chamber website and Facebook page, in addition to two other event websites and five Facebook event pages.

Another function of the organization is to coordinate and promote special events, which help to bring visitors to the Towson area. In turn, this provides us with the ability to foster Towson's close-knit community in our mission to make Towson the best place to live, work, and play.

All area businesses are encouraged to join the Towson Chamber of Commerce so their views and opinions can be expressed and to take advantage of the many networking opportunities available to members. For more information about membership in the Towson Chamber of Commerce, Inc. please contact our office at 410-825-1144.

The Towson Chamber of Commerce, Inc. sponsors the Towson Farmers Market every Thursday from the beginning of June through the middle of November. Local farmers travel to the heart of Towson to sell fruits and vegetables, fresh-cut flowers, baked goods, potted plants, herbs, and wine-- all fresh from their farms and vineyards. We also feature information booths, vintage clothing, soaps, coffee, and more.

Visit the market on Allegheny Avenue from June 4 – November 19. The market is open from 10:30 a.m. - 2:30 p.m., rain or shine. Make Thursday your weekly market day and enjoy the best of the season's produce at the Towson Farmers Market--- a feast for the eyes as well as the palate!

Winterfest

The Winterfest Committee is charged with planning and carrying out a four-week joint marketing campaign to encourage holiday shoppers to spend their time and money in Towson between Thanksgiving and New Year's. Starting with the annual Baltimore County Tree Lighting, the Chamber works with local merchants and restaurateurs, community associations, schools, and Baltimore County government to bring our sidewalks to life. The Chamber holds a tree decorating contest with more than 30 trees on display throughout town. We also organize "Fire and Ice Night" with ice sculptures, carolers, and s'more roasting upon open fires located outside various restaurants in Towson. We host breakfasts with Santa & friends at your favorite Towson bars and restaurants, and special shopping days designed especially for children and last minute shoppers - with gift wrapping to boot! We're the jolliest of all of the Chamber's committees and we invite you to join our happy band of elves.

Feet on the Street

Every Friday night from May through September, the Towson Chamber hosts a block party on Allegheny Avenue between Washington Avenue and York Road. From 6:30 – 9:30 p.m., the street is jumping with live music, great food, and a moon bounce and face painting for the children to enjoy. The Chamber also sells beer, wine, and cocktails to help cover costs. Our great little shops are open for you to browse for those one-of-a-kind items. It's a great time for the young and the young at heart.

The Chamber provides the location, music, entertainment, and open bar for patrons.

Guests enjoy a cocktail reception during the ceremony where the honorees receive awards for inspiring positive change in the community. The Chamber began this event in 2018 to celebrate those businesses and individuals who build, lead, serve, inspire, innovate, and host as they hold predominant influences in the Towson community.
