The 10% Rule

Keep your business local and make 10% of your expenditures stay within Towson. Just think of the impact... If a company grosses \$300,000.00 per year and they see an additional 10% or \$30,000.00, that could mean hiring someone, expanding product lines, or making their interior and exterior look better. Keep business in Towson and create a positive environment for our community!

The Student Support Network is a 501 (c) 3 non-profit organization in Baltimore County. We provide food, school supplies, personal care items, and other basic necessities to students in need in Baltimore County Public Schools

More than 73,000 local students - 66% of all BCPS students - live in severe poverty.

You can help -- AND gain visibility for your business or organization among a group of socially-conscious local residents!
