Executive Director's Message

Dear Members and Friends of the Chamber,

In 2024 the Towson Chamber of Commerce will be reaching its 60th year of service to the Towson Community! It's truly remarkable to see how much the organization has grown over the years, now boasting over 300 members. The dedication of the members, Board of Directors, volunteers, and staff has undoubtedly played a significant role in enhancing Towson and improving the lives of those who work, visit, and live in the area.

The Chamber's commitment to fostering a higher quality of life for the community is commendable. By working together towards a common goal, we have made a lasting and positive impact on the area. It's apparent that the Towson Chamber of Commerce has become an essential pillar in the local community, contributing to its growth and development.

We will continue our efforts to make an indelible mark on the community. Here's to many more years of service and achievements in improving and enhancing Towson!

It's also inspiring to see the members of the Towson Chamber of Commerce's commitment to excellence and dedication to preserving long-established community programs and traditions. These events, like the Towsontown Spring Festival, Towson Gardens Day, 4th of July Parade and Race, Towson Farmer's Markets, Towson "Feet on the Street" block parties, and others, have become integral parts of the community's identity and contribute to its vibrancy and unity.

The array of services provided to members, such as monthly breakfasts, cocktail parties, and opportunities to meet local officials, demonstrates the Chamber's focus on fostering strong relationships and networking among its members.

The promotion of the "shop local" campaign and the 10% rule shows a genuine commitment to supporting local businesses and encouraging community members to invest in the local economy.

By practicing what you preach and utilizing the services and products of your own membership, the Chamber sets an excellent example for the community.

Becoming a Maryland Main Street Affiliate in December 2019 has further opened doors for the Chamber to secure state grants and fund improvements in the Towson business community. It's evident that these efforts have led to various projects that enhance the area's aesthetics and overall appeal, such as the library mural, hand-painted flower boxes, and advertising and promotion for businesses.

We were also able to pressure wash sidewalks, and add more artwork which demonstrates the Chamber's ongoing commitment to the community's well-being and attractiveness.

We are truly grateful to Baltimore County for the grant to install safety cameras and add 6 security officers 5 days a week in Towson to support the efforts of our wonderful Police Department.

Overall, the Towson Chamber of Commerce's endeavors are making a significant positive impact on the community. By fostering a sense of togetherness, supporting local businesses, and continuously improving the area's infrastructure and amenities, the Chamber will continue to play a vital role in shaping Towson's present and future.

Our members' unwavering support has been the cornerstone of our community's accomplishments, and we are profoundly grateful. Each contribution has played a pivotal role in empowering us to make a significant difference in our community.

See you around Towson!
Nancy Hafford
Executive Director

President's Message

You may not realize but there are reports that Towson is the second most populated unincorporated county seat in the United States. Our Chamber serves as a unified voice for Towson businesses both in the political arena as well as functioning as the representative to other Towson groups that share a common goal toward the continued good health of the community.

Nancy Hafford, the Executive Director for the Towson Chamber, and the Board of Directors are passionate about the health and well being of the community as evident by organizing, coordinating and promoting many special events throughout the year. Events such as the Spring and Fall festivals, Feet on the Street, Farmers Market, July 4th parade, Taste of Towson and the annual golf tournament all promote fellowship, goodwill and community.

Last year through the Chamber's efforts, Towson achieved designation as a Maryland Main Street Affiliate. This year it is our goal to expand on that and work towards a full Main Street Community accreditation, opening up even greater resources and opportunities for our businesses.

These are exciting times for our Towson community. We invite you to engage and network with our members by participating in events, joining a committee, or patronizing a member business.

I consider it an honor and a privilege to assume the duties as the 2023-2024 President of the Towson Chamber. I look forward to meeting you all around the town!

Sincerely,
Tom Gronert, President

What is The Towson Chamber of Commerce?

The Towson Chamber is a nonprofit organization that has been dedicated to serving its members since 1964. The Chamber takes a leadership role in improving the Towson area's quality of life. The Chamber does this through promotion and support of our businesses, training and skill building, advocating for Towson on a local and state level, encouraging community involvement through events and activities, and contributing over \$100,000 a year to streetscape improvements.

Through the promotion and support of these areas, the Chamber is positioning our community for a bright and prosperous future. We strive to administer programs and projects that benefit our area not only now, but also for years, decades, and generations to come.

The Chamber does not do this alone. Hundreds of members and volunteers put forth countless hours to assist in the program of work for the Chamber, resulting in a community that is the envy of others in Maryland and outside our state's borders. Without the efforts of our members, the Chamber's mission to promote the business environment in Towson could not be achieved.

We have the tools members need and the power to open doors to new opportunities, more customers, and greater success. Our Chamber can put members in touch with hundreds of potential clients and customers. A membership can provide immediate return on your investment with networking and marketing opportunities, small business and professional support, information and governmental representation.

The Towson area communities and our Chamber of Commerce pride themselves on their strong affiliations. Continual enhancement of these partnerships is made to develop a progressive and outstanding community in which to work and reside.

One of our key functions is to serve as a unified voice for Towson businesses, both at public hearings and as a representative to the other Towson groups which all share a common goal to assure planned growth in Towson. We strive to strengthen existing businesses as well as to help new ventures succeed. One way our Chamber promotes local companies is through the publication and distribution of an annual business directory. We also promote on our Chamber website and Facebook page, in addition to two other event websites and five Facebook event pages.

Another function of the organization is to coordinate and promote special events, which help to bring visitors to the Towson area. In turn, this provides us with the ability to foster Towson's close-knit community in our mission to make Towson the best place to live, work, and play.

All area businesses are encouraged to join the Towson Chamber of Commerce so their views and opinions can be expressed and to take advantage of the many networking opportunities available to members.
